## **Astrological Compatibility**

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years.

This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship.

Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

## Report for Katharine Hepburn

### How You Approach Relationships

You, who are so power oriented and commanding in tone, have a greater need than most for love relationships. Who would guess that you like your lovers anything but aggressive? You need your lovers to be accepting, even at the risk of being on the dull side. Your relationships tend to be long-term, conservative, and quite stable. Your partners often have money, property, and tend to be quite possessive of your attention. Your emotions run deep and you can be fiercely jealous. You bury yourself in your relationships. Only your lover knows how vulnerable you really are.

*Taurus on 7th Cusp*

With you, good looks count a lot. You like partners who are charming, refined, and appreciate the better things in life. You may depend on them for appreciation and love, and you probably share the same set of values. They tend to dote on you, and you like it that way.

*Venus Ruler of 7th*

You really depend on relationships for growth and support, and you tend to find yourself in, and by means of, other people. Others find you very supportive. You may be a bit of a "mother hen" when it comes to watching over your friends and partners.

*Moon in 7th House*

Who you know, your public life, and your image are very important to you. You tend to involve yourself in relationships with authority figures and respected members of the community. This includes business partners as well as lovers. You take marriage, partnerships, and all relationships very seriously.

*Sun in 7th House*

Everything seems to move through you once you get around other people. You have real communication skills that make you a perfect interface for others -- the negotiator. You value intelligence and articulation, especially in a partner. You are never happier than when you find yourself in meaningful conversation, surrounded by sparkling wit, clever thoughts, and all that is mercurial. You may come to know writers, reporters, announcers, and investigators.

*Mercury in 7th House*

## Report for Katharine Hepburn

### Strengths in your relationships

You are a great problem-solver, and can always think of a way to do almost anything. Your friends know you to be fair, and your integrity is unquestionable. You may find yourself interested in legal matters, publishing, philosophical and religious subjects, and would make a good teacher or instructor. Scientific investigation would interest you.

*Mercury Sextile Jupiter (orb: 00 55')*

You have a fantastic imagination and are somehow tuned into what we all dream of at the deepest levels. The dream worlds, the more eternal thoughts of mankind, come easy for you, and you would be a convincing speaker on occult, metaphysical, and religious subjects. The way you talk about the intuitive and imaginative realms is very moving to others. You are able to put into words the sense of unity that we all know exists in the world but can't always keep in mind. You could be a fine poet or musician, especially a composer.

*Mercury Sextile Neptune (orb: 02 28')*

Others soon learn how responsible you are, and that they can depend on you for real support. Sure, you are perhaps a little too organized and run more cool than hot, but you really do care and never let your friends down. Whatever you do is built upon a solid foundation, and that includes relationships. Too serious? Aloof? Perhaps, but you are loyal, dependable, and don't enter into relationships lightly.

*Moon Sextile Saturn (orb: 02 43')*

You have a real drive to discover or invent things. You are always pushing the envelope, going the limit. You know it is at the leading edge where all the real breaks occur. You are fascinated by what is happening in technology and communications. Others find you original and nonconventional, especially in your love life. You have your own very original idea of love, emotions, and marriage. You march to a different drummer when it comes to relationships.

*Mars Conjunction Uranus (orb: 03 20')*

A real love of science and natural laws. You are a hard and tireless worker with absolute determination and the ability to carry great projects through to completion. Always the protector to all those you come to know, you tend to have long and secure relationships. Since you are a natural conservative, those older than yourself (authority figures) tend to benefit you.

*Sun Sextile Saturn (orb: 03 46')*

A passionate one. You love it when a crisis emerges and threatens to shatter the normal routine, because you yearn for a chance to undergo really profound changes. You're like the survivalists who wish the world would stop pretending and get down to the nitty-gritty. Fiercely loyal, you would rather see a relationship through hell and high water than abandon it. You delight in emotional confrontation, intense conversations, and secrets of all kinds.

*Venus Sextile Pluto (orb: 04 06')*

An original thinker, perhaps an inventor. You have a very sharp mind, capable of real insight. You are always thinking of new ways to do things or a new use for something. You are great at finding solutions for existing problems where others have run out of ideas. Almost anything can be turned to an advantage, once you put your mind to it. Communication of all kinds, especially computers, electronics, and the new technology, is right up your alley.

*Mercury Trine Uranus (orb: 04 22')*

You have great emotional control, and this allows you to pace yourself in ways average people cannot. You can keep control when others lose it. This suggests the capacity for sustained effort on your part which may manifest in a natural athletic ability. Your relationships, which tend to be long lasting, are easy going. There is an accent on leadership and masculinity.

*Sun Trine Mars (orb: 05 14')*

You are comfortable with your sexual identity, and tend to be emotionally well balanced. There is a natural rhythm in the way you handle the day-to-day problems of work and play, with the result that you are capable of sustained effort. These same qualities affect your relationships too. They tend to be harmonious and long lasting.

*Moon Conjunction Sun (orb: 06 29')*

When it comes to self-expression, you are a natural and can always put what you feel into words. Your mind is quick and tends not to get bogged down in emotional issues. You would do well in any of the communication fields, and are an excellent speaker. People find it easy to get a sense for a subject when you put it into words. You write well.

*Mercury Trine Mars (orb: 07 42')*

You love whatever is new or different, and breakthrough flashes of original insight are typical. You could invent something, and you have a natural love for communication and new-age technology. You appreciate independence and originality in others, especially in a partner, and may tend to have unusual friends who are very likely male. You like to keep things spontaneous.

*Sun Trine Uranus (orb: 08 35')*

## Report for Katharine Hepburn

### Challenges in your relationships

There is a tendency to be somewhat taciturn and reserved; perhaps a little too prudent. You have a fear of letting go that may manifest as an apparent lack of emotion. You don't always like what you are feeling, or own up to it. You are probably not an animal lover.

*Venus Square Mars (orb: 02 36')*

You sometimes have trouble distinguishing between your dreams of life and the actual reality. Or you lack the discipline to make those dreams real, to work to make reality be as you always dreamed it could be. This could lead to unreasonable expectations of other people, especially your lover. A tendency to daydream finds you with a number of false starts. You are easily distracted and have difficulty carrying things through to the finish. You may worry about being deceived by others.

*Mars Opposition Neptune (orb: 05 14')*

You could have a fear of the new and different -- of sudden changes. However, once they occur you really get a charge out of them. You would like to break away and live an unusual, exciting existence, but your conventionality holds you back from making the move. The result is that you often feel frustrated and mired in the humdrum. Jealousy in love affairs could present a problem.

*Venus Square Uranus (orb: 05 56')*

You may squander your money, tend to expand too rapidly, do too much. Your feelings often run counter to the status quo or accepted norm, with the result that you may tend to be a bit of an outlaw. This could extend to your married life too, which might be somewhat unconventional. A stubborn streak may find you refusing to walk the straight and narrow, doing what is expected.

*Mars Opposition Jupiter (orb: 06 47')*

Everyone who comes to know you will remark on your high ideals. You are indeed a beautiful soul, and you probably suffer many disappointments. Friends may see you as unrealistic and otherworldly, afraid to put your dreams to the bitter test of life and actuality. Those close to you may feel that your continual disappointments are a deception on your part, a refusal to face life.

*Venus Square Neptune (orb: 07 50')*

## Report for Katharine Hepburn Your Relationship with Spencer Tracy

There is almost a sense of mystery about your relationship with Spencer. You cannot hide things from him, so there are no formalities when you are around him. You feel exposed. The whole thing has a magnetic sexual quality to it which both of you support. You tend to feed on this arrangement, with the result that the experience is strengthening and supportive. Aside from this you may be involved in some kind of financial partnership. He might act as your agent, or as a go-between.

*His Moon in Your Eighth House*

Meeting Spencer has got to be good for you, at least for your health and personal habits. He is sure to give you a hand at implementing all those many projects that you have never gotten around to doing, like eating better, cutting down on this, and so forth. He is really able to get you to work on taking care of these kinds of details. And he cares for you in about every way you could imagine. Where else could you get this kind of service? In many ways he is your own conscience come alive. Working hand and hand with him should take a great burden off your mind.

*His Sun in Your Sixth House*

You find yourself waxing romantic whenever you spend time with Spencer. He seems to bring out the poet and orator in you. There may be a tendency to talk more about love than to learn of it. If you are at a distance, phone calls or long letters may be in order. He is expressive and effusive, always an outpouring of feelings and energy. You find yourself talking a lot about yourself when you are with him. There is a wholesome quality to your conversations that you look forward to.

*His Mercury in Your Fifth House*

Here is a natural partner, one you find both charming and attractive. Spencer shares your social values and has similar needs when it comes to relationships. He values your particular social qualities and the way you relate and feel about others. You both tend to respond to situations in similar ways. Something special seems to happen when you two get together. It's as if you both are in love with love.

*His Venus in Your Seventh House*

Spencer is a living incentive for you to get out of yourself and do things. Things get very physical, and this runs all the way from good sex to physical activity in general. There is a fresh, almost childlike, quality to your relationship. You feel strength and perhaps are proud of how good you feel about yourself when you are with him. There is the danger of too much of a good thing. The whole thing could get a little self-centered.

*His Mars in Your Fifth House*

There is no doubt that he is a "luck sack". Through him many opportunities are possible,

especially relating to your financial positions and resources in general. Spencer is a natural guide for you and can help make the most out of what you have -- multiply it many times over. He appreciates what you have going for you and has good ideas as to ensuring you a secure response from the world. He may come bearing gifts.

*His Jupiter in Your Second House*

This could be an expensive relationship, for Spencer can't help but put your resources to the test. He may not value you to the degree that you would like him to, or he may not respond to what you feel are your better qualities. This can leave you feeling cold and disappointed. The charm that others may find intriguing is wasted on him. This is not to say that this will not be a worthwhile relationship, but it will not be supportive in any normal sense of that word.

*His Saturn in Your Second House*

Spencer has an unusual, original, way of appreciating or caring for you. The way he shows affection is different, and this could make for an interesting love life. Or he might introduce you to alternative ways of financing or making money. His ideas on handling your resources and providing for yourself may be just the ticket. Whatever else, they won't be just more of the same.

*His Uranus in Your Second House*

There is a definite sense of mystery about Spencer. When the two of you are alone you get very close, exploring psychology and sinking into dreamy states that you can't find with others. Aside from the sensual aspects -- which should be very strong -- there is a sense of being initiated, of getting past some barrier, getting down to the real stuff. You feel so open with him, and he with you. Unless you are very careful, this is probably not the best relationship for business or financial matters.

*His Neptune in Your Eighth House*

This relationship is passionate and intense. You can't ignore Spencer, and he knows how to get right to you with a single glance. He won't put up with excuses or habits of yours which are a waste of your time or money. He is not afraid to get right in there and change you himself. He doesn't ask your permission to do the obvious. This may result in a real power struggle for you both. On the other hand, this could be a powerful business relationship.

*His Pluto in Your Eighth House*

### **How You Approach Relationships**

Who would expect from your dignified and staid manner that you require so much mothering from a partner? Your natural business sense and conservative nature in general might point to your hooking up with a real no-nonsense and even cool type. Not the case. You are attracted by feeling and emotional types, and a good strong display of emotion never put you off, although you may prefer it in the privacy of your home. You find it hard to be demonstrative, yet you love to be cared for and even babied.

*Cancer on 7th Cusp*

You need lots of love and attention, and you don't mind being mothered a bit, either. You like partners who are emotionally sensitive, supportive, and nurturing. A bit of mothering goes a long way with you.

*Moon Ruler of 7th*

## Report for Spencer Tracy

You manage to cram many lifetimes into one, for it seems like you're always being reborn and starting life over again. Others may have a hard time keeping up with your changes. You do well in face-to-face and gut-level situations that would exhaust most people. You really come into your own when the going gets tough or when it's time to "get down" and face facts. Good leadership potential for emergency situations

*Sun Sextile Pluto (orb: 00 09')*

When it comes to self-expression, you are a natural and can always put what you feel into words. Your mind is quick and tends not to get bogged down in emotional issues. You would do well in any of the communication fields, and are an excellent speaker. People find it easy to get a sense for a subject when you put it into words. You write well.

*Mercury Conjunction Mars (orb: 00 60')*

A born lover. You feel right at home with your emotions, and others can't help but remark at your bright, cheery attitude. People like to be around you because you are very expressive and always quick to reveal when you like someone or something. You seldom hide what you are feeling. A love relationship is a real necessity for you and you seldom are without one. You are at home with your sexuality.

*Venus Sextile Mars (orb: 01 17')*

You love to talk and write, and you probably do so beautifully. Your sense of color, harmony, manners, and all that is artistic, is beyond reproach. You know quality, and people love to let you pick out art or arrange color schemes for them.

*Mercury Sextile Venus (orb: 02 16')*

You are enchanting, and can transport a group of people with your mesmerizing words, action, or music. Through you, others catch a glimpse of a world more unified than the one they find themselves in, and hear from you of the life they know exists beyond the mundane. Once under your spell, you could motivate them to do almost anything. You owe much to your upbringing, which tolerated and gave support to your dreamier side. You can be very compassionate, and understand the feminine side of life.

*Sun Trine Uranus (orb: 02 45')*

*Sun Trine Jupiter (orb: 04 20')*

## Report for Spencer Tracy

### Challenges in your relationships

You don't always say just what you mean. For that matter, you may sometimes not even know how you feel about something. You tend to envy people who can always put their finger on how they feel. It can be hard for you to talk about your feelings. Any partner will have to understand this about you. Are you often moody? Yes, probably.

*Moon Square Mercury (orb: 00 20')*

It may have been hard to get emotional support over the years, and your temper has not always been a help to you. You have had to work a lot of problems out for yourself. While you do have a lot of motivation and energy, often there is some difficulty in getting it channeled in useful directions. Sometimes you feel that others don't like you. You require a partner that can give you lots of emotional support. There could be a basic ambivalence with your mother, or with women in general. You may not feel like working.

*Moon Square Mars (orb: 00 39')*

You are a real dreamer but can't always manage to put your vision into words. You may occasionally be accused of cloudy thinking and of letting your imagination run wild. There is a likelihood that you frequently get yourself into situations in which you are disappointed, or disappoint others. Some clear thinking on your part could prevent others from getting the feeling that you are intentionally misleading them. You may have trouble paying attention, keeping your mind on what you are doing.

*Mercury Square Neptune (orb: 02 20')*

You sometimes have trouble distinguishing between your dreams of life and the actual reality. Or you lack the discipline to make those dreams real, to work to make reality be as you always dreamed it could be. This could lead to unreasonable expectations of other people, especially your lover. A tendency to daydream finds you with a number of false starts. You are easily distracted and have difficulty carrying things through to the finish. You may worry about being deceived by others.

*Mars Square Neptune (orb: 03 19')*

You may have difficulty expressing your feelings, with the result that tension accumulates to the boiling point. You may get the feeling sometimes that situations and other people unite to repress you, to hold you back. You probably have had some really harsh experiences, hard feelings. You feel you must push and strain to get anywhere at all. You would do well with a partner who can help you through the process of getting your feelings out without exploding.

*Mars Square Saturn (orb: 07 11')*

You don't have much faith in people seeing what is good about you on first meeting. You want to do something for them, somehow show them by action and work what you are really about. You are never a lightweight, for you take feelings very seriously. Sometimes you can't

help but be a party-pooper. You won't just let your feelings out without examining them.  
Contact with others may have the effect of putting them in touch with their more serious side.  
Some may see you as religious or meditative.

*Moon Opposition Saturn (orb: 07 50')*

## Report for Spencer Tracy Your Relationship with Katharine Hepburn

You probably felt at home with Katharine right from the start. You enjoy doing things together. It feels natural and good. It occurs to you that this relationship could last a while. She feels almost like family and does a lot to bring out your more domestic side. The two of you might cater to the public or run a business from your home.

*Her Moon in Your Fourth House*

Meeting Katharine has had a grounding effect on you. Knowing her has been a real experience, and you have had to let yourself feel that experience. There is this sense of the two of you feeling through life together -- living it. Not a whole lot of reflection perhaps. This is a relationship that you could build upon. It marks the start of something solid in yourself. Katharine brings out the homing instinct in you, or you could benefit materially from knowing her.

*Her Sun in Your Fourth House*

She is a talker, and you're no slouch yourself. When the two of you get together there is little room for anyone else in the conversation. You both connected intellectually and mentally from the very beginning and seem to have a world of things to discuss. When you can't get together, you may talk on the phone or write voluminous letters to one another. Communication is so strong between you that it is possible for you to team up and collaborate on writing or speaking projects. Take the show on the road.

*Her Mercury in Your Third House*

Here is a real admirer of your mind and mental qualities. Above all she loves to share ideas with you, whether by phone, letter, or in person. There is endless chatter when you two get together. This relationship could find you waxing very eloquent and becoming downright creative. You might feel that your ideas and thoughts are worth writing down after being with her. She probably laughs at all your jokes and even dotes on the poetry you write.

*Her Venus in Your Third House*

Katharine has the effect of moving you to give up old habits and unwanted traits. She motivates you to greater will power and self-control than you might achieve on your own. If you're not up to it, she may tend to badger and shame you a bit. All in all, her influence results in your throwing aside many a burden and assuming a more willing and receptive attitude.

*Her Mars in Your Twelfth House*

You love to work together. Katharine has a knack for getting you involved and feeling more responsible. She may introduce you to many new ideas concerning food, health, exercise -- new-age ideas. You may have found yourself caring more about other people and about all of life when you are with her. You have become more self-sufficient through knowing her. She may influence your work situation too, especially in how you get along with subordinates.

*Her Jupiter in Your Sixth House*

This could be an expensive relationship, for Katharine can't help but put your resources to the test. She may not value you to the degree that you would like her to, or she may not respond to what you feel are your better qualities. This can leave you feeling cold and disappointed. The charm that others may find intriguing is wasted on her. This is not to say that this will not be a worthwhile relationship, but it will not be supportive in any normal sense of that word.

*Her Saturn in Your Second House*

She may be responsible for introducing you to new ideas about forbearance and patience. Her insights into your psychology, as well as mankind's, are worth taking a very careful look at. Katharine has an unusual ability to put you in touch with your own sense of compassion and love for other people. She can offer new solutions that could help you cross beyond a lot of petty doubts and fears, and find a deeper commitment to truth and goodness. She brings out the saint in you.

*Her Uranus in Your Twelfth House*

If this is anything else but a brief philosophic or artistic tryst, you may have to take some preventative measure. Katharine tends to get you carried away to the point of neglecting responsibilities -- the details of life. Somebody has to empty the garbage, and she may not be the first one to suggest it. She may bring a soothing relief to some of the harsher aspects of life. There is a real temptation to escape from all the little details.

*Her Neptune in Your Sixth House*

This is a very volatile and passionate combination. You find that Katharine challenges the way you express and feel about yourself. The two of you may get locked in a power struggle for control. Things are seldom dull. With her help, you may go through a transformation that leaves you feeling ever so much more creative and confident. You could be able to shed a lot of uptightness and repressed habits.

*Her Pluto in Your Fifth House*

Katharine likes talking and communicating with you. You have a knack for bringing out the best in her, making it easy for her to say what's on her mind. She feels your genuine support and enjoys what she finds herself saying and thinking in your presence. She knows that she can speak her mind when she is with you.

*Your Mercury Sextile Her Moon (orb: 00 43')*

This is about as close to a mutual admiration society as any two are likely to get. Katharine is very supportive of your values and ideals. You might even feed on this. You have always felt simple admiration and love for her. You just like the way she feels.

*Your Venus Conjunction Her Moon (orb: 01 33')*

Katharine may be a real help when it comes to disciplined thinking, mental organization, and study in general. You are able to talk about her problems easily. You are able to put into words situations in which she finds herself.

*Your Mercury Conjunction Her Saturn (orb: 01 60')*

She manages to exert a good influence on your drive to succeed, bringing discipline and order that you may lack. There could be a long-term and hard-working relationship. She manages your talents with skill and understanding.

*Your Mars Conjunction Her Saturn (orb: 02 59')*

You have always known that she loves you, and you can't help but find this charming. You have a sense of being valued and appreciated for the right reasons. This is a warm and affectionate relationship.

*Your Sun Conjunction Her Venus (orb: 03 19')*

You have a natural appreciation for her problems and are probably very understanding with her. You may love her sense of organization and self-discipline. You may be a trifle undemonstrative when you are around her, a little too sober perhaps.

*Your Venus Sextile Her Saturn (orb: 04 16')*

She looks to you for support for her need for self-analysis and emotional probing. You probably have spent many a late night helping her through a change or two. You find her intensity workable, and you don't mind that she puts you through some emotional changes of your own.

*Your Moon Conjunction Her Pluto (orb: 04 38')*

You find it easy to talk to (sometimes at) Katharine, and you think about her a lot. She encourages you mentally, and may support some communication project you are involved in -- speaking, writing, etc.

*Your Mercury Sextile Her Sun (orb: 05 46')*

You just love Katharine, perhaps from the very start, and she knows it. You value her just as she is. She dotes on being the object of your affections. This is a very nice combination.

## Report for Spencer Tracy

### Challenges in your relationship with Katharine Hepburn

You may tend to ignore Katharine's feelings, resulting in arguments and clashes of wills. Your relationship tends to run hot and cold, but when you're hot you are very hot. There may be some hard feelings between you.

*Your Sun Square Her Mars (orb: 00 43')*

You may find her somewhat repressive of your feelings. She manages to put a damper on you every time you get to feeling good and comfortable. There is no way you will support this side of her, and this could lead to a real standoff.

*Your Moon Square Her Saturn (orb: 02 20')*

You never know what to expect with Katharine. Her need for variety and the unusual may conflict with your own more conservative trends. She may tend to be a rebel, with you always playing the authority figure. Sometimes hectic; seldom boring.

*Your Sun Square Her Uranus (orb: 02 38')*

There may be some problems due to a lack of communication. There is an unwillingness on your part to discuss Katharine's changes (what she is going through). You may prefer not to comment on sensitive issues, instead of the constant rehash. The resulting confrontations may be hectic and intense.

*Your Mercury Square Her Pluto (orb: 04 18')*

She may feel that you don't take her ideals seriously enough, and that you discount her more imaginative and creative side. You may feel that she is unrealistic, only fooling herself, and is always getting carried away with one thing or another. There could be deception.

*Your Sun Square Her Neptune (orb: 04 31')*

Power struggles are likely, as well as harsh feelings. Your drive and ambition may tend to ignore her need for confrontation and analysis. You may refuse to face sensitive issues. This is a very emotional, and possibly explosive, relationship.

*Your Mars Square Her Pluto (orb: 05 18')*

She may prefer to have her own career and take a course that runs counter to your own. Her advice may not always be in your best interests. There may be arguments, with you being painted as the authority figure. She may feel that you hold her back from finding her own way.

*Your Sun Square Her Jupiter (orb: 06 04')*
