Astrological Compatibility

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years.

This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship.

Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

How You Approach Relationships

You are so dependable, deliberate, and down-to-earth. You wouldn't think of living without plenty of security and your share of material success. Who could guess that you would be so daring when it comes to relationships? That you could reach out for, and get, what others don't dare dream of having. You like partners who are ever so intense, commanding, and very secretive. Their love of secrecy, power plays, and intrigue keeps you always fascinated and involved. How could such a relationship endure? But the funny thing is that they do.

Scorpio on 7th Cusp

You like partners who are intense, passionate, and confrontal. You depend on your relationships to keep you honest and down-to-earth. Your friends may find that your lovers tend to put you through a lot of changes. There is no such thing for you as a casual or trivial affair. You like it hot, revealing, and sexy.

Pluto Ruler of 7th

Strengths in your relationships

You have great emotional control, and this allows you to pace yourself in ways average people cannot. You can keep control when others lose it. This suggests the capacity for sustained effort on your part which may manifest in a natural athletic ability. Your relationships, which tend to be long lasting, are easy going. There is an accent on leadership and masculinity.

Sun Sextile Mars (orb: 01 49')

You have a knack for coming up with just what the crowd wants. You are nothing else if not an original. You can take an ordinary event and turn it into something brand new, really special. You may have had a somewhat unusual upbringing, and you like a partner who is independent and also a bit unusual. Things are seldom boring with you, for you always have just the right idea of what to do.

Moon Trine Uranus (orb: 03 18')

You love to talk and write, and you probably do so beautifully. Your sense of color, harmony, manners, and all that is artistic, is beyond reproach. You know quality, and people love to let you pick out art or arrange color schemes for them.

Mercury Conjunction Venus (orb: 04 57')

You have a sense of the extraordinary and wonderful about you. People sense that you have an insight into the larger picture, and you can communicate this idea of unity to a group. You are great at working with images, whether psychological, artistic, or cinematic. You probably love movies and music, anything with a grand theme or gesture. You are not just another dreamer. You can put your imagination to work. Your partner may have to work overtime to live up to your ideal of him/her, and to keep you down to earth and away from woolgathering. You need someone who loves to explore the dreamy psychological underside of life. You see beneath the surface of things.

Sun Trine Neptune (orb: 08 07')

You are enchanting, and can transport a group of people with your mesmerizing words, action, or music. Through you, others catch a glimpse of a world more unified than the one they find themselves in, and hear from you of the life they know exists beyond the mundane. Once under your spell, you could motivate them to do almost anything. You owe much to your upbringing, which tolerated and gave support to your dreamier side. You can be very compassionate, and understand the feminine side of life.

Moon Trine Neptune (orb: 09 37')

Challenges in your relationships

You may have a tendency to poke your nose into others' business. You can't resist, and yet you're often afraid of what you'll find. Skeletons in the closet and sensitive areas of people's lives both fascinate and terrify you. You have trouble just coming right out and dealing with a touchy subject. It puts you through too many changes. You would rather snoop around.

Mercury Square Pluto (orb: 00 17')

You have mixed feelings when it comes to other people. You can't live with them and you can't live without them. You are used to a high degree of emotional tension. People may misinterpret your emotional chargedness as aggression or disapproval, when in fact that's just the way you are. They may not support your values. You long for a smooth relationship, but if you look at your history it's been a rocky road indeed. You may have trouble locating an environment where you feel comfortable and can flourish.

Moon Square Venus (orb: 00 30')

You don't always say just what you mean. For that matter, you may sometimes not even know how you feel about something. You tend to envy people who can always put their finger on how they feel. It can be hard for you to talk about your feelings. Any partner will have to understand this about you. Are you often moody? Yes, probably.

Moon Square Mercury (orb: 04 27')

You have always felt vulnerable when deep emotional issues are brought up, and may have a history of avoiding confrontation and self-examination. You are ever so sensitive to ideas of death, helplessness, and vulnerability in general. You see them only too well, and they haunt you. There may well be some childhood experiences that were rough or harsh for you to accept. Any partner will have to tread very gently when it comes to matters of feelings and security. You may tend to dominate a relationship, but without success.

Moon Opposition Pluto (orb: 04 45')

You have a tendency, or perhaps a knack, for ignoring good advice. More than once you have found yourself at odds with the correct, or prescribed, way of doing things. This could manifest in a problem with authority figures. For example, you may tend to disregard the suggestions of an authority figure, perhaps your father. You have trouble doing just a little, and tend to be extravagant.

Sun Square Jupiter (orb: 05 04')

Power struggles are no stranger to you. You tend to put off confrontations until they build up and then explode, kind of like having your own built-in volcano. You probably have considerable emotional tension and a strong sexual drive. Your flair for secrecy could find you with more than one lover, several affairs.

Venus Square Pluto (orb: 05 15')

The last of the big spenders! You are by no means conservative, and overindulgence of all kinds is sort of second nature. You tend to ignore the realities of life in favor of the perks. This may bring you hard up against natural or human law, again and again. No one can accuse you of lacking ambition. The straight and narrow is unappealing to you. You would rather range along the fringe. A nonconformist.

Venus Square Jupiter (orb: 06 43')

You may have to cut your own way when it comes to a career, for you may not always get the kind of support you need from others. The result may be that you end up with a very unusual vocation. Probably not much interested in working with the public, either. Your partner will have to understand that you are not likely to follow the crowd, and be willing to let you find your own way. Getting things started and off the ground may be harder for you than for most.

Moon Opposition Jupiter (orb: 07 13')

Report for George Lucas Your Relationship with Steven Spielberg

The two of you may end up working with the public on some health or service-related project. That may even be how you met. Steven personifies, and brings to your attention, concerns that you have known about for a long time but perhaps never acted upon. Things like diet, smoking, exercise, preventative medicine...anything that exemplifies a caring attitude. He is very supportive, and when you are with him it seems that all these endless details are easy and even fun to care for.

His Moon in Your Sixth House

Whether he has conventional good looks and manners or not, Steven has true magnetic appeal for you. Conventions go out the window and there it is, right in front of you. He has a way of cutting through any reservations you might have and exposing even your most secret thoughts. There is no use pretending you are anything other than you are. There can be no secrets between you. All this can be very stimulating. He may be able to serve as a key to some important investment or other financial arrangement. You might inherit money through him.

His Sun in Your Eighth House

The two of you have a great rapport. There is mental kinship. In fact a talk session with Steven almost amounts to therapy for you both. There is a real sense of mutual reflection. It would be hard for you to find a more productive intellectual companion. It is possible that you may work together in some public way through speaking, writing, investigating. A real meeting of the minds.

His Mercury in Your Seventh House

Here is a natural friend, one you find both charming and attractive. Steven shares your social values and has similar needs when it comes to relationships. He values your particular social qualities and the way you relate and feel about others. You both tend to respond to situations in similar ways. Something special seems to happen when you two get together.

His Venus in Your Seventh House

Here is the possibility of a very intense and even compulsive relationship. Power overtones are almost inescapable. Steven moves you to feelings that are very direct and personal. You probably tend to spend time alone, if only because you might feel vulnerable being so open about yourself in public. This could be an excellent business relationship too, since there is the ability to get down to what is important -- the real nitty-gritty. Not a casual meeting.

His Mars in Your Eighth House

Steven may have been the means for you to meet many new people in your life. You like to be in the public and feel social when you are with him. He makes it easy for you to respond to others, understand them, and share in the common experience of life. He could be instrumental in leading you into a career involving the public or bringing your current career into greater

public attention. There is a real sense of comradery with you two.

His Jupiter in Your Seventh House

Steven loves routine. He takes the domestic scene very seriously and especially loves to work around the home. You may find this helpful at times, but more likely you will experience it as restricting. There is a sense of heaviness, as if limits have been set on the experience of just living out a day. On the up side, there is a great sense of security and provision.

His Saturn in Your Fourth House

Steven has an unusual, original, way of appreciating or caring for you. The way he shows affection is different, and this could make for an interesting friendship. Or he might introduce you to alternative ways of financing or making money. His ideas on handling your resources and providing for yourself may be just the ticket. Whatever else, they won't be just more of the same.

His Uranus in Your Second House

There is a sense of mystery with Steven. Your friendship assumes almost ideal proportions, and you both tend to get transported to some very fine states of mind. Music, poetry, art... creative expressions of all kinds seem to get a lift. Everything seems to be in synch. This is almost a storybook friendship. You may tend to be carried away from time to time. You love the movies.

His Neptune in Your Fifth House

You have an immediate gut reaction from Steven, especially when he challenges your more traditional ideas of security -- home and family. He can be a disruptive force in your day-to-day routine and home life. He knows just how to get at you, and you may become very emotional when the two of you are together. You may find yourself hiding this relationship, reserving it for times when you can be alone with him.

His Pluto in Your Fourth House

Strengths in your relationship with Steven Spielberg

You both probably love music, theater, and -- above all -- the movies. He finds you very supportive when it comes to his dreams and fantasies. You probably find it easy to get lost together in any of a number of imaginative activities. You tend to get emotionally very clear and high when the two of you are together.

Your Moon Trine His Neptune (orb: 00 40')

He finds you very supportive and easy to talk to. Steven has a knack for understanding how you feel about something, putting your feelings into words that make sense to you. You might find yourself encouraging mental pursuits on his part -- writing, speaking, communications.

Your Moon Sextile His Mercury (orb: 03 30')

He is a real driving wheel for you when it comes to your writing and speaking skills. He can push you to be more articulate, even eloquent, than would otherwise be the case. Conversations with Steven are always wordy and animated, at least from your end. You may find it easy to put his feelings into words.

Your Mercury Trine His Mars (orb: 05 42')

He loves the way you act and present yourself. Your basic energy and motivation appeals to him. You may find yourself on stage and performing for him. This makes for lots of fun and great energy.

Your Mars Trine His Venus (orb: 06 09')

This might turn out to be a great working (business) relationship. You have no trouble getting behind him, and can urge him to greater success. There is a natural sense of harmony and flow to the relationship.

Your Mars Trine His Jupiter (orb: 07 27')

You tend to support and encourage an independent streak in Steven. You don't mind that he enjoys being a little different. You find him emotionally stimulating, and even unique. He may have introduced you to new attitudes toward home and family, and new ways of feeling.

Your Moon Trine His Uranus (orb: 08 11')

Report for George Lucas

Challenges in your relationship with Steven Spielberg

It's no secret that you and Steven can have communication problems. You may find his lack of support for what you say and think unfair and hard to accept. Yet it is a two-way street -- often your thoughts and ideas rub him the wrong way too. They are contrary to the way he feels about things, and he finds it difficult to be encouraging at times.

Your Mercury Opposition His Moon (orb: 00 00')

He is critical of your ideas, and you may feel somewhat tongue-tied when you are around him. He may feel that you refuse to consider his problems or that you dismiss them with a few words.

Your Mercury Square His Saturn (orb: 01 19')

You can't appreciate his continual need for self-analysis and confrontation. He never seems happy unless he has reduced every meeting to its lowest common denominator. He may go against all that you hold dear, and drag you through scene after scene. A problem.

Your Venus Square His Pluto (orb: 01 19')

The fact that you find it difficult to put up with his need for confrontation and self-analysis may cause resentment. Your lack of support in this area may lead to explosive times and hurt feelings. You are tired of the tension and don't feel like putting your emotions through one more transformation.

Your Moon Opposition His Pluto (orb: 01 49')

You may find him somewhat repressive of your feelings. He manages to put a damper on you every time you get to feeling good and comfortable. There is no way you will support this side of him, and this could lead to a real standoff.

Your Moon Opposition His Saturn (orb: 03 08')

He may have a tendency to throw cold water on your enthusiasms and hurt your feelings. You may not take his problems seriously enough to suit him, and he may tend to restrict your natural sense of love and appreciation. There is cold-war tension to this relationship.

Your Venus Square His Saturn (orb: 03 38')

You may feel that Steven may not always appreciate you enough and that he purposely doesn't give credit where credit is due. You may act and do things that go against his set of values.

Your Sun Opposition His Venus (orb: 04 19')

Push me; pull you. There is a tendency to end up feeling at odds with one another no matter what the issue. This could manifest in hard feelings and a lack of support on each of your parts. It is a no-win situation, and even a bit humorous.

Your Moon Square His Moon (orb: 04 27')

There may be some hurt feelings on Steven's part because he feels unappreciated by you. You don't always give him the credit that he feels he is due. He may refuse to give you the kind of support and nurturing that you're looking for. You both tend to be at loggerheads over this.

Your Venus Opposition His Moon (orb: 04 57')

He may prefer to have his own career and take a course that runs counter to your own. His advice may not always be in your best interests. There may be arguments, with you being painted as the authority figure. He may feel that you hold him back from finding his own way.

Your Sun Opposition His Jupiter (orb: 05 38')

Magnetism aside, this is not a good combination for any business relationship. You are not very appreciative of his decision-making, and you probably seldom take his advice when it comes to career decisions. He may persevere against your best wishes, with the result that he may tend to overdue, overspend, and get carried away.

Your Venus Opposition His Jupiter (orb: 06 09')

There may be some problems due to a lack of communication. There is an unwillingness on your part to discuss Steven's changes (what he is going through). You may prefer not to comment on sensitive issues, instead of the constant rehash. The resulting confrontations may be hectic and intense.

Your Mercury Square His Pluto (orb: 06 16')

Steven may feel that he doesn't have your support when it comes to matters of career and life direction. There may be hard feelings. You may find the decisions he makes upsetting to you emotionally. His basic philosophy of life can sometimes be at odds with the way you are feeling.

Your Moon Square His Jupiter (orb: 06 38')

This may never do. Neither of you are able or willing to give the other much credit. There is a lack of appreciation, and very little sense of shared values. You may not like the same things.

Your Venus Opposition His Venus (orb: 07 27')

He may not appreciate your feelings and emotions, and may not like your moods. You may tend to ignore his values and ideals and take them too lightly. He senses that you may not support his sense of values. There could be a kind of cold war going on.

Your Moon Square His Venus (orb: 07 57')

How You Approach Relationships

You are always sensitive to others' feelings, and you pick up on even the slightest change in mood. Life for you is, above all, an experience to be lived and felt, and you find yourself sometimes up and sometimes down. You look to your partner for continual advice and guidance. You prefer a mate who is able to give you an overview or picture of what is happening. It's even OK if your partner runs a tad cool, because you tend to run a little hot... sometimes gushy. You depend on the calm, disciplined advice of a good manager -- which is what your partners often turn out to be.

Capricorn on 7th Cusp

You like a partner that is a hard worker, perhaps a little on the serious side -- a mainstay of the community. They may tend to run a little cooler than hot, and this is OK with you. You may benefit from the discipline that an older, more accomplished, life brings to you. You may have a tendency to find your partners restrictive and too serious at times.

Saturn Ruler of 7th

Strengths in your relationships

You can't help but think in an organized way, and you are a stickler for routine. You love it. You probably have a scientific bent, for your analytical abilities are first rate. You love first principles and getting down to the bare bones of a subject. Mathematics and all things technological are a snap for you. You have great mental endurance and probably have done more than your share of studying. So serious.

Mercury Trine Saturn (orb: 00 21')

Good things tend to come your way, and you could end up with a lot of money, property -- possessions of all kinds. You are by nature generous, and probably give as much as you get. There could be a love of travel and exploring, finding your own way through life. You tend to appreciate authority, your elders, and conservative values. Others will value you for your warmth and openness. You are quite fortunate.

Venus Conjunction Jupiter (orb: 01 19')

You have a fantastic imagination and are somehow tuned into what we all dream of at the deepest levels. The dream worlds, the more eternal thoughts of mankind, come easy for you, and you would be a convincing speaker on occult, metaphysical, and religious subjects. The way you talk about the intuitive and imaginative realms is very moving to others. You are able to put into words the sense of unity that we all know exists in the world but can't always keep in mind. You could be a fine poet or musician, especially a composer.

Mercury Sextile Neptune (orb: 02 50')

You have great emotional control, and this allows you to pace yourself in ways average people cannot. You can keep control when others lose it. This suggests the capacity for sustained effort on your part which may manifest in a natural athletic ability. Your relationships, which tend to be long lasting, are easy going. There is an accent on leadership and masculinity.

Sun Conjunction Mars (orb: 04 42')

Very sensitive areas of conversation that might intimidate most (taboo subjects, etc.) don't bother you at all. You always persevere and keep right on investigating. You are expert at getting straight to the heart of things, and would make a super sleuth, or researcher. The deeper a secret is buried, the more likely it is that you will turn it up. And when it comes to money, sex, and other highly charged issues, pity anyone who tries to manipulate you. That's your bailiwick, and there are very few who can stand to argue with you.

Mercury Trine Pluto (orb: 05 19')

You are attractive and tend to be physically active. You just might participate in or manage some athletic endeavor. You are in tune with your feelings and really know how to play a crowd for the maximum response. You can always count on support from those around you.

You seldom hide how you feel and therefore are no stranger to an occasional argument. You probably got a lot of emotional support as a child, especially from your mother.

Moon Sextile Mars (orb: 05 42')

Report for Steven Spielberg

Challenges in your relationships

You don't have much faith in people seeing what is good about you on first meeting. You want to do something for them, somehow show them by action and work what you are really about. You are never a lightweight, for you take feelings very seriously. Sometimes you can't help but be a party-pooper. You won't just let your feelings out without examining them. Contact with others may have the effect of putting them in touch with their more serious side. Some may see you as religious or meditative.

Moon Square Saturn (orb: 01 19')

Power struggles are no stranger to you. You tend to put off confrontations until they build up and then explode, kind of like having your own built-in volcano. You probably have considerable emotional tension and a strong sexual drive. Your flair for secrecy could find you with more than one lover, several affairs.

Venus Square Pluto (orb: 06 08')

You have always felt vulnerable when deep emotional issues are brought up, and may have a history of avoiding confrontation and self-examination. You are ever so sensitive to ideas of death, helplessness, and vulnerability in general. You see them only too well, and they haunt you. There may well be some childhood experiences that were rough or harsh for you to accept. Any partner will have to tread very gently when it comes to matters of feelings and security. You may tend to dominate a relationship, but without success.

Moon Square Pluto (orb: 06 16')

You may be somewhat of a rebel, with a history of going up against authority. You like to stand alone -- an outrider at the fringe of society -- like the old-time outlaws. You have a knack for separating yourself from the herd. You end up as the loner, although this is not always what you want. You need a partner in this life, a go-between for you and the status quo.

Sun Opposition Uranus (orb: 06 58')

Report for Steven Spielberg Your Relationship with George Lucas

There is almost a sense of mystery about your relationship with George. You cannot hide things from him, so there are no formalities when you are around him. You feel exposed. The whole thing has a magnetic quality to it which both of you support. You tend to feed on this arrangement, with the result that the experience is strengthening and supportive. Aside from this you may be involved in some kind of financial partnership. He might act as your agent, or as a go-between.

His Moon in Your Eighth House

The two of you probably met as part of a group that shared some common interest. George struck you as a peer, an equal who shared perhaps the same new-age way of seeing things that you do. You have both had the same vision, a common dream, and probably share a mutual resolve to see that those dreams happen. There is a sense of a brave new world about this friendship. The two of you standing on the edge of the future. He represents the way you feel relationships should be. There is a feeling of doing the right thing, what ought to be done, even at the expense of a little warmth.

His Sun in Your Eleventh House

George is someone you will value for his practical and pragmatic outlook on life. You may come to depend on his advice regarding your career, or work. He can put into words ways and ideas of doing things that may better help you manage your own business. Here would be a good business partner too, one whose speaking and writing skills could prove of great value and use.

His Mercury in Your Tenth House

George may have noticed you because of the friends and acquaintances you have. He values shared goals and common ties, in particular if they have some kind of moral or humanitarian purpose. You may work and live together as part of a project or community. You may be just friends and never business partners. He has a sense of your hopes and dreams, and loves you for them. He finds your friends uplifting and worthwhile.

His Venus in Your Eleventh House

George is nothing else if not stimulating, and he may be downright challenging or irritating at times. It all depends on what mood you're in. If you need a boost, a little competition, then he is tailor-made for the job. If things are already hectic, then you may not enjoy the ride. There is the potential here for a good friendship too.

His Mars in Your First House

There is no doubt that he is a "luck sack". Through him many opportunities are possible, especially relating to your financial positions and resources in general. George is a natural guide for you and can help make the most out of what you have -- multiply it many times over.

He appreciates what you have going for you and has good ideas as to ensuring you a secure response from the world. He may come bearing gifts.

His Jupiter in Your Second House

He seems to be very hard on your sense of altruism. Your attempts to be charitable or to sacrifice may be played down or belittled by him. He won't tolerate your feeling sorry for yourself or for the state of the world. It could be difficult for you to feel philanthropic or kind when the two of you are together.

His Saturn in Your Twelfth House

George has the capacity for introducing you to radically new goals and groups of people. Perhaps through him you will meet a whole new set of friends, or be part of a group working on a new-age project. You may come to have a completely new idea of your fellow man, of brotherhood, and all of that stuff. He has radical ways of seeing things. All this may come as quite a surprise to you and may upset the traditional apple cart. He is anything but boring.

His Uranus in Your Eleventh House

You share a sense of the unity of life, and this could mean a very happy, almost dreamy down-home sense. There is a tendency to lose yourself in dreams and fantasies, so strong is your imagination when you are together. You could be fast friends. You may have to be a little careful not to get carried away with all of this and neglect your responsibilities (the details of life).

His Neptune in Your Fourth House

He may be responsible for a deep change in your values, all that you consider important in life. This may involve some very sensitive issues and real self-facing on your part. Through knowing him, your status in the world (especially in regard to finances) could undergo a transformation. He may help you strip away many unessential qualities and concentrate on those resources that can actually benefit you.

His Pluto in Your Second House

Strengths in your relationship with George Lucas

He finds you willing and able to discuss even the most sensitive, personal, and psychological issues. You naturally understand the changes he's going through, and you have a knack for putting them into words. This could be a fine business relationship because both of you can concentrate on the essentials.

Your Mercury Trine His Pluto (orb: 01 15')

George likes talking and communicating with you. You have a knack for bringing out the best in him, making it easy for him to say what's on his mind. He feels your genuine support and enjoys what he finds himself saying and thinking in your presence. He knows that he can speak his mind when he is with you.

Your Mercury Sextile His Moon (orb: 03 30')

George is probably adept at putting some of your ambitions into words. You can see that he understands your feelings and what motivates you. This makes for many highly spirited exchanges.

Your Mars Trine His Mercury (orb: 05 42')
